AFTER SCHOOL CLUB Application Form

Our After School Club operates during term time only and the cost is £7.50 per child/per session. Places are allocated per day/session and not based on attendance. Payments should be made in advance of attendance and any arrears cleared monthly via your Parentpay account (Please note your child may not attend the following month if your account is in arrears).

The After School Club sessions are staffed by our own teaching and/or support staff. Our After School Club offers excellent sports coaching with supervised after-school activities provided within your child's familiar school setting.
