15<sup>th</sup> July 2020

Dear Parents,

As this unprecedented school year draws to a close, I wish to thank you all for your continued support and cooperation as we have worked together to offer the best provision for all children. Thank you for your efforts and achievements in engaging with home learning since March. Our 'Tapestry' learning platform has proved very successful.

## **Work Packs**

There has been an excellent response in terms of collection of the work books provided for all pupils from nursery to year 6. Teachers will not be posting work on the Tapestry site during the summer holiday.

The work books will enable parents to continue with home learning during the break. These resources are for you to keep to enable you to support your child at home. If you have not collected your pack please contact the school office before Friday.

## **Reports**

Your child's end of year report will be posted to you by the end of this week. (This communication will also include information regarding your child's new teacher for September.)

The teachers have written these reports based on the assessment data as it stood in March. Parents will be given an opportunity to discuss their child's report with their class teacher in the autumn term.

## **Year 6 Leavers**

We will be saying farewell to our excellent year 6 students this week. Obviously, we have been unable to take part in all our usual events to celebrate their time at this school and mark the important transition to Secondary school. We hope, that when the time is right, we will all come together again for a very special party! Year 6 pupils will be receiving their Yearbooks and leaving gifts this week.

## **Return to school in September**

In line with guidance, we are planning for a September return for all pupils and we are currently undertaking detailed risk assessments to ensure we do this in as safe a way as possible for all members of our school community.

Currently, we plan to have two staff INSET days on 1<sup>st</sup> and 2<sup>nd</sup> September followed by a gradual, staggered return of all year groups. There will also be slight changes to the start and end times of the school day (to be confirmed).

### **PROVISIONAL DATES**

Dates for year groups are as follows –

Years 4, 5 and 6 - 3<sup>rd</sup> September 2020

Years 1, 2 and 3 - 4<sup>th</sup> September 2020

Those starting Reception and Nursery will be contacted individually.

As none of us knows how events will unfold nationally in the coming weeks, these dates are subject to change so it is very important that you check your emails, texts and the school website for confirmation of dates and times for the return of your child to school.

I wish you a restful and safe summer break and very much look forward to seeing all of you very soon.

Kind regards,

God Bless.

M. Lawton-Quin

Headteacher
