Autumn Term Issue 4: Friday 14th October 2016

THE WEDNESDAY **Word PRAYER**

Prayer, at its simplest, is spending time with God. Just as we need to put oil in a car to make it work, so prayer helps us to work properly - keeping us in good order. Perhaps this weekend we can try to say an extra prayer every day and see what a difference this can make to our day!

Gardening in year 4 is so fantastic **Year 4 Gardening**

tic. We have found out so much already this term about how to prepare for the seasons ahead. We have been working to prepare the allotments, sewing seeds, weeding and clearing the garden of autumn waste. The potting shed is a great place to watch all of the birds and wildlife that come in to the garden. We are looking forward to feeding the school animals with some of their favourite foliage picked from the garden next week! Class 9
