## Happy Feast Day 2019

St Francesca Cabrini Feast Day celebrations were enjoyed by all on Wednesday 13th November. The children enjoyed a visit from Sr. Barbara & Sr. Diane MSC who came to join us at Mass along with Fr. Habte from St William of York parish. It was Fr. Habte's first time celebrating Mass with us and he was very impressed by our singing and liturgy. The Missionary Sisters enjoyed a tour of the school and listening to Francesca Cabrini's life told through song & dance at our Mass.

### Keeping safe when Gaming Online

Over the next few weeks we will focus on how to help children safe when gaming.

Here are this week's top tips!

1. Learn about the games they like to play - Take an active interest in the games your children are playing get to grips with how they work and why they enjoy playing.
2. Find out about who they play with - Ask who they play with online, who they meet and talk to and talk about what kind of language is being used. Make sure your child knows how to report abusive or anti-social behaviour.

## Feast of St Francesca Cabrini November 13th Patroness of Immigrants

Born in Italy in 1850, Francesca Cabrini trained initially to be a teacher. She wanted to enter religious life, but was refused admission due to her delicate health. After several years along with six other young women, she founded the Missionary Sisters of the Sacred Heart of Jesus. She hoped to realise

her childhood dream of being a missionary in China, but God had another plan for her and she found herself working amongst the poor and marginalised migrant community in the fast growing new city of New York! Francesca spent the rest of her life in service to the poor, needy and sick around the world. Opening schools, orphanages and hospitals with her growing order of missionary sisters. Today her works are active in 15 countries around the world, the latest mission being opened this year in Uganda to serve the needs of migrants fleeing from South Sudan. Here the sisters are working in refugee camps offering social care, education and health advice. Happy Feast Day everyone!

*Today Love must not be hidden...  
It must be living, active and true!*

## Writer of the Week!

Southbank Centre to create a poem  
As the grateful water swishes,  
like the wind I ask myself  
why do you sway?  
As the multicoloured  
leaves fall from the  
sky, angelically I ask  
why do the leaves fall?  
As the tweeting birds soar  
in the sky, I ask why  
do you soar?

This week's excellent writer is Perez (Y6)

As part of our topic work on WWI & WWII Amber Class visited the Imperial War Museum. We found out about how children cope in war torn countries by playing music and dancing, how evacuees coped with life away from their family and what trench warfare was like during the world wars. We had a great day and learnt lots of new facts!
