Pupils from the Wayo Konodai Junior Girls School in Tokyo came for their annual visit to our school this week.

On Monday 27<sup>th</sup> March, a group of Japanese girls came all the way from Japan to visit our school. All of the House Captains greeted them, along with the School Council. We then all gave them a tour of the school in groups of three. Our tour started with a visit to see the chickens and the rabbits and ended in the Nursery. They said that the best part of the tour was visiting Reception, Nursery and Class 3. When they went into classes, lots of children asked them questions like, "What are you doing in London?" They loved coming to our school and they hope that they can come again! It was a really exciting day! Rosanna, Class 14

On Monday 27<sup>th</sup> March, Japanese students came to our school for the whole day. When I went to show them around, I was jumping up and down with excitement and I told Mrs Lawton that it was the best day ever! They told us that they were from Wayo Konodai Junior Girls School in Tokyo. We played lots of games and they taught us a dance in the playground. They told us what life is like in Japan and we had lots of laughs and jokes together. During the time that Martin, Idris and I gave the tour, I couldn't stop smiling, and even when I tried to stop smiling, I would just smile again. In the afternoon, we all went to the chapel and they sung us a song in Japanese. Then they showed us some Japanese calligraphy and how to make origami figures. As a goodbye gift we gave them a special Cabrini pen and some Easter eggs. Finally it was time to wave them goodbye. I had a great day! Rain, Class 13
