Spring Term - Issue 17: Friday 6th March 2020

Stations of the Cross

Pupils are invited daily to attend Stations of the Cross in the Chapel. This time of reflection and prayer allows us to focus on the suffering that Jesus went through and to have time to think how we can be better people, serve our community and help others. Our school day is a very busy one, this quiet space and time every day allows us a moment to get closer to God and think about how we can serve Him and others more effectively.

Come and join us daily in the Chapel at 12.30pm for Stations of the Cross.

Sam says,
"don't just be on time - be early!"

TOP TIPS!

Safe Searching

More often when we are unsure about something we often 'google it'. However do we know this is safe for our children? There are other search engines out there such as 'swiggle', 'kids search' or 'kid rex'. Check these out when completing homework to make sure the sites that are suggested are child friendly.
