Year 5 - Cricket

We are having coaching sessions in cricket every Monday. Coach Robbie is an apprentice with 'Cricket England'. Our coach teaches lots of cricket techniques, like how to fast bowl and how to put a spin on it. This week we found out all about the 'clock' position. The best thing about cricket is the match we get to play at the end of the lesson, we can then put what we have learnt into practise, our bowling, batting and fielding. By Norelle & Jasmine Class 12

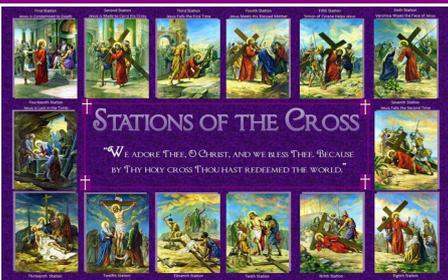

"With God we can do great things."

Encouragement

When we listen to and follow Jesus, our lives are transformed. We grow in faith and love and we are filled with words of encouragement.

Year 6 - The Arrival

The Arrival is a graphic novel created by Shaun Tan. We have loved reading this book and using the illustrations to inspire our own creative writing. We would recommend this book because the illustrations are fascinating and it lets your imagination run wild. The story is about a man who has to leave his family and travels to a strange and wonderful new world. We followed his journey as an immigrant in this new world and all the troubles he faced settling in. We have written diary entries, letters and our own stories based on the novel. In Art, we have had a go at sketching like Shaun Tan and at creating origami creatures. Our favourite part of the topic was making clay models of the weird creatures in the new world.
