"I have come so that they may have life and have it to the full."

Year 4

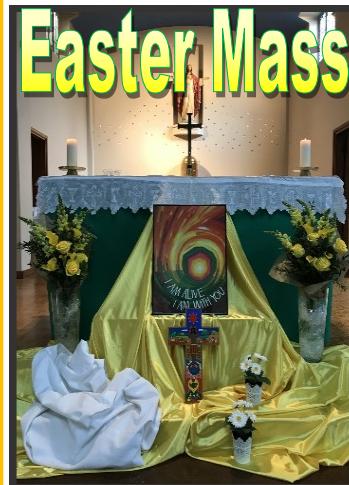

We went to the Horniman Museum to take part in a 'puppet workshop'. All of the puppets were brought from India by Mr Horniman, who was a tea merchant over 150 years ago. We used shadow puppets, stick puppets, hand puppets and string puppets to tell the story of Rama & Sita. This famous Indian story is part of our learning journey in class as our topic is India. We had a great trip and saw lots of Indian artefacts in the museum. By Daniel, Ky'lan, Karema & Uyi

Easter Mass

As we come together to celebrate this special Mass let us reflect on the meaning of Easter. The Easter season began on Easter Sunday and continues for a further 50 days. This gives each one of us an opportunity to cultivate an Easter Spirit within our hearts. Each time we come together

to celebrate Mass, and receive the Eucharist, we witness the same simple gesture of the breaking of the bread, witnessed first by the apostles at the Last Supper and later by them again after the Resurrection. We too can recognise the Risen Lord when we hear the words "Do this in the memory of me". We remember that Jesus died and rose from the dead. Jesus's deep love for us lives on in the Eucharist we share at Mass. May we live with a sense of joy brought to us in the Risen Christ. May we live without fear and trust in God, knowing that the Risen Christ who overcame death can help us overcome anything. We remember His first words to the women at the tomb and to his disciples "Do not be afraid", Jesus says these words to each one of us. May we look at the world with new eyes and see the world through the eyes of the Risen Christ. May we live with joy, without fear and make the heart of Jesus known in our words and actions, to everyone we meet.

He is Alive, He is with us!
