The Magic Finger

The trouble with wings! Today we went into the forest just like the Gregg Family...we also had wings!! We flew around the garden and then tried to eat apples from the tree. It was so hard with no hands

"I felt angry and frustrated because it was so hard. I couldn't hold it with my wings. I did get ten bites!" Benjamin

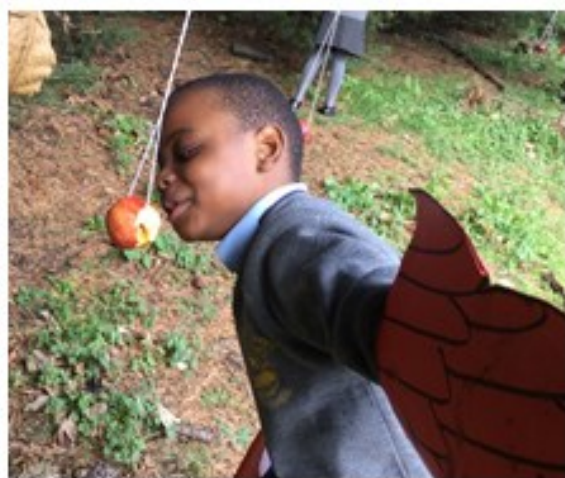

"It was hard to eat the apple - it kept moving and I was laughing so much!!"

Lukas

"I had to open my mouth really wide to get a bit of the apple - yummy!!!" Beatrice

"The apple would not stay still. It kept bouncing off my nose. I did get a bite!!"
Elliott

"I managed to bite a big chunk of apple. It was delicious!!!"
Joel

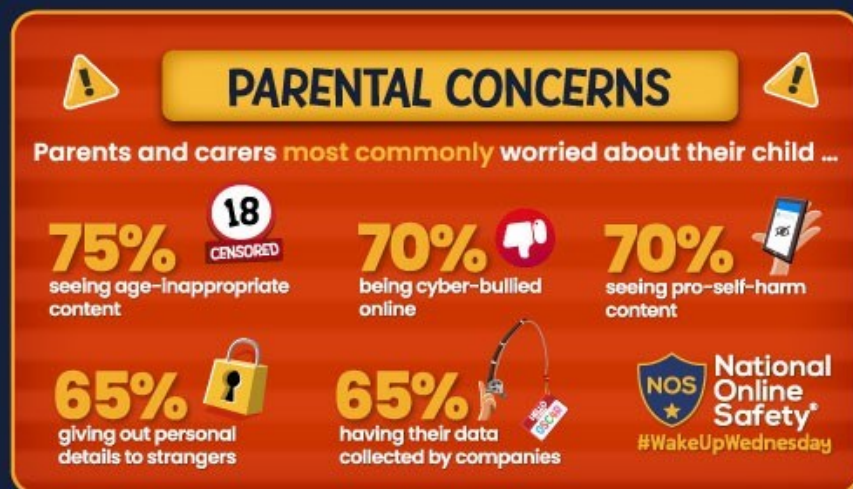

"It was so hard to eat the apple with no hands to hold it still. Every time I tried to bite the apple it moved away!!!"
